Jose:

Here are a few suggestions for furthering your campaign:

1. Put posters up in all of the simpatico bars, like Jackson's, Gordon's, Paper Doll, etc., saying "Vote for Jose -- he's one of our people."

2. Put ads in the Mexican and Spanish papers, to get the Spanishing-speaking vote.

3. Make an annoucement every nite at the A CAT urging everyone to spread the word to "VOTE FOR JOSE" at all the Halloween parties this weekend.

4. Enlist the aid of the Mattachine Society to urge people to vote only for Jose at the election.

5. Ask everyone -- every night -- to mail 10 cards to friends with the message "Vote for Jose -- he's one of OUR people. He's tres ---!" (That's only 30¢ postage for each person)

6. Go after that Mexican-Spanish vote -- put posters up in all the Mexican cafes, shops, groceries, stores, etc.

Let's go, Jose. We're for you.

(I'm doing my part -- I'm mailing cards like crazy.)
